Re: United States v. Salas, No. 18-428

Dear Mr. Harris:

I write, pursuant to Rule 30.4, to request an extension of time to file Mr. Salas's brief in opposition to the petition for writ of certiorari in the above-captioned case. The brief in opposition is currently due on November 2.

Since the petition in this case was filed, I have filed the petition for rehearing in United States v. Roman, No. 17-4084 (10th Cir.), the reply brief in United States v. Duzyurt, No. 18-1039 (10th Cir.), and the petition for writ of certiorari in Trent v. United States, and yesterday I argued United States v. Nanez-Rivera, No. 17-1419 (10th Cir.), before the Tenth Circuit. I will also be filing the petition for writ of certiorari in Russian v. United States by October 29. Besides working as well on the brief in opposition in this case, I have also been working on the opening brief in United States v. Means-Goodman, No. 18-8037 (10th Cir.), which must be filed by November 5.

The requested extension of time is for thirty days. Because thirty days from November 2 is Sunday, December 2, the requested extension is until the next business day of Monday, December 3.

**Hon. Scott S. Harris**

See Sup. Ct. R. 30.1. Matthew Guarnieri, an Assistant to the Solicitor General, has authorized me to inform the Court that the petitioner has no objection to the extension.

Thank you.

Sincerely,

/s/ Howard A. Pincus
